

EARLY WORKS

INFORMATION SHEET 1 | FEBRUARY 2020

Early works on the \$740 million Liverpool Health and Academic Precinct (LHAP) has now commenced.

Coming months will see areas of the hospital site and surrounds impacted by a range of activity, as indicated on the map below:

Ground works at Goulburn, Campbell, Forbes and Elizabeth Streets to upgrade services including electricity, gas and stormwater.

Realignment of Burnside Drive and road works on the eastern and southern boundary of the hospital site.

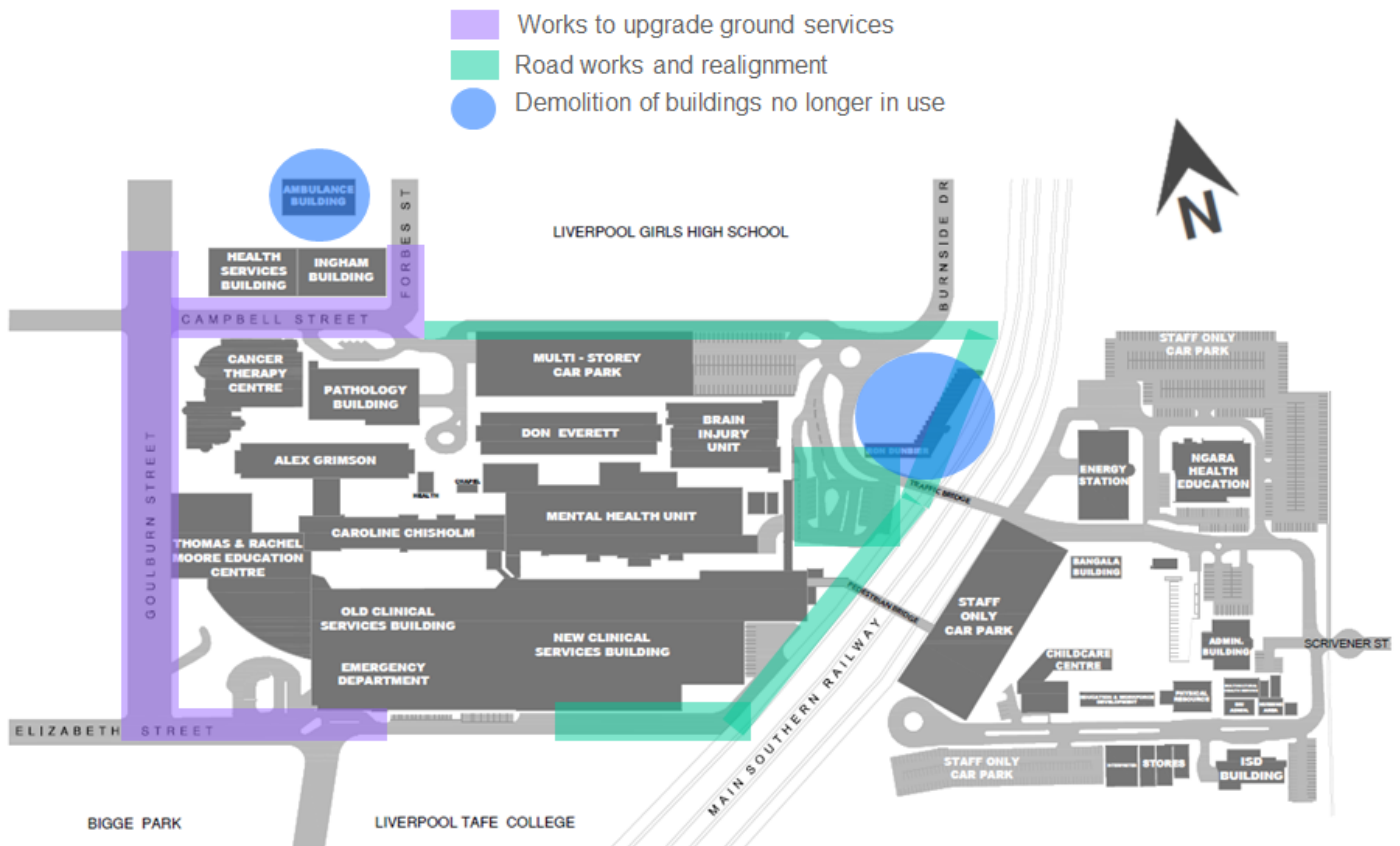

Demolition of buildings that are no longer in use (Ron Dunbier building and the old ambulance station on Forbes Street).

Potential impacts:

- Restricted/altered vehicle and pedestrian access
- Reduced street parking
- Dust, noise and vibration

Please follow all signage and directions for your safety, and allow extra time in case of delays.
